## FINE FRAGRANCES™

*Excelsis was founded in 2005 by Frederick J. Hass, M.D. for the purpose of producing and marketing a cologne made from the original formula of Pope Pius IX (1792-1878). He called it The Pope's Cologne.*

*The historical background of The Pope's Cologne caught the immediate attention of the news media, with major stories appearing in The San Francisco Chronicle, The New York Times, The Wall Street Journal, The London Daily Telegraph, and even was featured on the national television show "CBS Sunday Morning" with Bill Geist.*

*Soon people from around the world were purchasing and enjoying this fresh, new fragrance from the past.*

*In his research on The Pope's Cologne, Dr. Hass became fascinated with the history and art of perfumery and the wondrous fragrances of real essential oils. He began to make fragrances of his own. "I began to dream in fragrances." This led to his creation of new and unique fragrances of his own.*

*His research led him to sampling perfumes at the counters of Nordstrom, Macy's and Sephora. "What I came to realize very quickly is that all of these expensive, famous brand perfumes smelled the same because they all share the same synthetic bases. At the same time I found that my own new fragrances, using real essential oils, were better, more pleasing, more complex, more interesting and clearly distinct from one another."*

*Thus was born the new Excelsis Collection of ten premium and engaging colognes. Each original, each different, each a tribute to the mysterious art of perfumery... And at the center of each, real essential oils.*

**Francis** - Created by Excelsis to celebrate the Petrine succession of Jorge Mario Bergoglio as Bishop of Rome, Pope Francis, Pontifex Maximus, 266th Pontiff of the Roman Catholic Church. Francis is an engaging, fresh fragrance with a citrusy top note of bergamot and a soft, woody drydown of sandalwood . Smooth and soothing, A grand aftershave.

**Benedictus** - The marriage of linden blossom from Benedict's native Germany with frankincense from the Holy Land and bergamot from Italy creates a subtle fragrance, befitting a man of finely cultivated tastes. Barely perceptible is a nuance of citrus, and as it evolves, a discrete hint of musk. The overall impression is one of understated elegance. A slightly astringent and balsamic quality makes it a soothing and refreshing aftershave.

**Innocente** - soft and ethereal with a gentle opening ripple of cool lavender and a lingering, powdery undertone of freshly-ironed linen.

Our formulation includes pink grapefruit to create a cooling, refreshing effect and a slightly musky, mossy fragrance that persists through the day.

**Loma Alta** - favored by both ladies and gentlemen, this beguiling fragrance is reminiscent of high mountain meadows with a dewy top note of first light and a lingering dryout of dusk.
